Additional Languages: Proficient in Mandarin, American Sign Language (ASL)

PROFESSIONAL & RESEARCH EXPERIENCE

PricewaterhouseCoopers (PwC) – CSX Practice

June 2026 - Present

Technology Consulting Intern, Salesforce

New York, NY

- Kept development sprints on track by logging, triaging, and prioritizing Jira defects so critical issues were resolved before delaying releases
- Sped up resolution of high-priority production defects by joining swarm sessions with cross-functional developers to troubleshoot root causes in real time
- Prevented functionality gaps from reaching production by validating Salesforce features against business requirements through SA Verification testing
- Kept sprint deliverables on schedule by aligning offshore development teams on priorities and timelines across time zones
- Built AI agents to automate repetitive workflow tasks as part of a Salesforce transformation supporting a platform with **6M+** accounts

Sociotechnical Systems Lab, Brown Univ., Dept. of Computer Science

May. 2024 - Oct. 2025

Data Engineer Intern

Providence, RI

- Uncovered how TikTok's recommendation system spreads misinformation and shapes user engagement by applying statistical methods, NLP, and machine learning to platform data
- Exposed bias in how reproductive health content was surfaced and engaged with, contributing findings that informed the lab's platform accountability research

Johns Hopkins All Children's Hospital, Dept. of Pediatric Neurosurgery

Apr. 2022 - Sept. 2023

Research Assistant

New York, NY

- Supported an active clinical research program by collecting and analyzing patient data and conducting literature reviews under Dr. George Jallo, Director of Pediatric Neurosurgery
- Co-authored** a peer-reviewed publication on neuromodulation for drug-resistant epilepsy (Neurological Sciences, 2024), turning years of data collection into a lasting contribution to the field

DESIGN EXPERIENCE & COMMUNITY INVOLVEMENT

Future Leaders of User Experience (FLUX) at UNC-Chapel Hill

May 2026 - Present

UX/Web Director

Chapel Hill, NC

- Shape how FLUX presents itself to the next generation of UX designers at UNC by directing its UX strategy and web design initiatives

App Team Carolina

Feb. 2026 - Present

UI/UX Designer — Centible

Chapel Hill, NC

- Selected from a highly competitive applicant pool (17% acceptance rate) to join App Team Carolina, where I design user-centered product experiences for Centible, a fintech startup helping people manage their budgeting

UNC Product Management Club

Feb. 2026 - Present

Director of Projects

Chapel Hill, NC

- Keep club initiatives moving from idea to execution by directing project teams and workstreams across product management events and workshops

UNC Hockey

Aug. 2023 - Present

Head of Graphic Design

Chapel Hill, NC

- Keep fans engaged in real time by designing high-quality game-day graphics, promotional materials, and live updates in Adobe Photoshop and Illustrator, reaching an audience of **12.7K+ followers**
- Scaled design output while keeping quality consistent by leading a team of **7 designers**, building branding guides and instructional materials that streamlined the team's workflow and kept output consistent

NeoMana Labs

Aug. 2025 - Present

User Interface Designer

Chapel Hill, NC

- Close the gap between design and development by translating Figma prototypes directly into responsive, production-ready interfaces using React and TypeScript

- Shaped how the company told its story to investors by designing PowerPoint presentations and pitch decks used directly in fundraising conversations

Adobe **Aug. 2025 - Present**
Student Ambassador *Chapel Hill, NC*

- Selected as one of a small group of students to represent Adobe on campus, leading outreach, workshops, and peer education
- Grew student adoption of Adobe Creative Cloud tools by creating design-focused content and running engagement initiatives on campus

Made4Me **Aug. 2025 - Jan 2026**
Project Head & Design Coordinator *Chapel Hill, NC*

- Took student design projects from concept to completion by leading teams through timelines and deliverables, keeping every project on track
- Brought design consistency to every project by overseeing prototyping workflows and collaborating closely with designers and builders

Women in Consulting at Carolina **June 2024 - May 2025**
Marketing Committee Member *Chapel Hill, NC*

- Shaped the organization's brand and visibility by collaborating directly with senior leadership on design and marketing initiatives
- Expanded the organization's reach by planning and executing outreach events and marketing campaigns, growing membership by **590+**

Carolina For The Kids Foundation **Sept. 2023 - May 2024**
Creative Media Committee Member *Chapel Hill, NC*

- Strengthened the foundation's fundraising campaigns by designing organizational and promotional graphics used across events and initiatives
- Helped raise **\$207,215** for patients and families at UNC Children's Hospital by designing merchandise that drove sales

BE A Maker (BeAM@CAROLINA) **Feb. 2024 - Oct. 2025**
Program Assistant, Digital Media Team, MakerFest Planning Committee Member *Chapel Hill, NC*

- Enabled safe, effective use of 3D printing, laser cutting, and fabrication equipment for the campus maker community
- Strengthened turnout for campus-wide maker initiatives by designing promotional materials and event branding
- Helped MakerFest draw a record-breaking **614 attendees**, the **highest** turnout in program history through event branding and promotional support
